10 years, after the last time, another plum wine collab

Explanation:

Pattern 1 2013 s1 end - 2015 plum wine collab - 2016 season 2 announcement - 2017 spring broadcast, s2 announced 3 years after s1, 3 years gap famously been known to be one of the key points for believing in 2026 aoe continuation announcement, rooted from 3 years gap between muv-luv unlimited and alternative

Possible Pattern 2, **10 years** after s1, 2023 anime 'end' - 2025 plum wine collab - 2026 possible announcement? - 2027 spring air?

Again, **is it even possible?** Let's see ourselves I guess
